

Grand Traverse Ski Club

SPONSORSHIP OPPORTUNITIES

*The Mission of the Grand Traverse Ski Club (GTSC) is to provide outstanding coaching and training for all of our skiers, regardless of their level, while maintaining an affordable level of cost for our families. GTSC's long tradition of pricing its programming well below the region's average has been achieved for the last half century due to **generous members of our Club and community** pledging donations/fundraising efforts. These contributions help us cover the costs to run our Club programming to keep our cost to GTSC families as low as possible. Donations help cover purchasing safety and training equipment, coaches needs, communication software, as well as behind the scenes costs such as insurance, etc.*

*We would like to thank, and acknowledge, our great donors! GTSC is excited to announce the development of our new **Sponsor Appreciation Program** that will utilize our new website, TeamSnap communication, and signage during Sunday Races to honor these incredible local sponsors. Levels are based on total donations throughout the ski calendar year (running April-March of the next year around our ski calendar)*
