Hello and happy summer GTSC families!

As you are reading this, alpine skiing is likely the farthest thing from your minds right now! But worry not my friends, our amazing Executive Director is working hard and diligently collaborating with the coaching leadership team and your Board of Directors to ensure this next season is dialed in for all of us!

As we continue our transition to an Advisory Board, we've hit the Jackpot with new Directors that bring enthusiasm, thoughtfulness, and a variety of specific and useful skills sets that are strengthening the foundation of GTSC. We are focused on strategic planning, fundraising, and solidifying our mission and vision while staying true to our history and dedication to kids on skis. It's a great time to be part of the Club!

We are excited to share all of the amazing improvements happening in the GTSC with all of you at our Annual Meeting on July 16th at Hickory Hills. Hope to see you there!

Pray for snow,

Jake Burden
